

Stand 22

Stand 22

The custom-made stands for the Voice 22, the Stand 22.

The Voice 22 when installed on the Stand 22, gives a seamless flush look as the stand fits into the groove of the loudspeaker's base.

Closed pore foam on top plate for high quality damping.

The Stand 22 are made of a heavy gauge steel with a black sandtex paint finish.

Includes both spikes (for carpeted floor) and rubber feet (for hard/delicate floor).

Requires assembly (shipped flat).

Made by Target Audio for MOON.

Possibility to fill main tube with sand to improve sound quality.
